SCHOOL/PROGRAM ACCREDITATION APPLICATION

Name of the school: Rhodes Wellness College

Subject: Accreditation of the End-of-Life Doula Certificate

Dear Dr. Dean Davey,

We are pleased to inform you that EOLDAC has officially accredited your school's academic program. This accreditation is the result of a rigorous and exhaustive evaluation of your educational program, in accordance with the standards established by our association.

Your institution has demonstrated an exceptional commitment to academic excellence, holistic student development, and the implementation of caring teaching practices. In particular, we were impressed by:

The quality of the curriculum: Your study programs are complete, well structured and adapted to the current needs of students.

The skills of the trainers: Your teachings show a high level of qualification, dedication and teaching competence.

Tools and resources: Your school's teaching platform and the resources available to students are top-notch.

This accreditation is valid for an indefinite period, from the date of this letter. We encourage you to continue on this path of excellence and to maintain the high standards that have earned your school this recognition.

We warmly congratulate you on this achievement and remain at your disposal for any support or additional information you may need in the future. We look forward to our continued collaboration and following the progress of your institution.

Please accept the expression of our distinguished greetings.

Cynthia J. Brunelle

Vice-President
